The advertisement for Red Dog Roasters features a central text layout on a light grey background. At the top, the brand name 'RED DOG ROASTERS' is prominently displayed in a bold, black, sans-serif font, with a line drawing of a dog's head to the right. Below this, a smaller line of text reads 'Freshly roasted on the banks of the Snowy River'. The main menu items 'FRESHLY ROASTED COFFEE', 'TOASTIES', and 'HOMEMADE CAKES' are listed in large, bold, black capital letters. The operating hours and location, 'OPEN FROM 6AM MONDAY - FRIDAY @ THE OLD GARAGE DALGETY', are also in bold black capital letters. At the bottom, there is an Instagram icon followed by the handle '@reddogroasters'. The entire ad is framed by decorative elements: dark grey wavy shapes in the corners and stylized line drawings of coffee beans scattered around the text.

## A TRIBUTE TO KIM JAMESON

21<sup>st</sup> January 1959 – 1<sup>st</sup> December 2023

In late 2023 the Dalgety Show family lost another of our show identities with the passing of horse section volunteer and esteemed judge, Kim Jameson. Born in Cooma in 1959, Kim began riding at the young age of 5 competing in horse shows right across the region and as Kim got older, she then competed across the state. Many may not be aware that she would go on to become a renowned horse judge in her own right, not only in Australia but also in New Zealand in Arabian horse classes. This class was her favourite and a massive part of her life, not only judging but also riding and having great success at both. Judging across the two countries shows how respected Kim was and held in high esteem by her peers.

Returning to the Monaro a few years ago saw Kim once again involved in the local show scene where is remembered by many for kind nature, big smile, encouragement of all abilities and her get in and help disposition which made Kim an asset at any show including Dalgety.

We have been blessed with some of the best over the years and Kim is definitely in that group, we felt like we had won the lottery when she and her husband Bob joined our show a few years ago and they quickly became a dependable and hardworking couple.

We felt very lucky to have Kim join in the volunteer horse committee and her introduction of a few new classes which saw new riders attend our show and come back again and again, but nothing made her as happy as seeing a big smile on the face of a little rider when presenting them with their ribbon.

We will certainly miss our Kimmy and on behalf of our President Julie Hedger, we pass on our sincerest condolences to her husband Bob, their family and friends.

# THE DALGETY PLATYPUS PLUNGE

The Dalgety Show Society presents the first ever annual Dalgety Platypus Plunge! To mark our 80th show, this year we decided to incorporate our stunning Snowy River and hold not only ours, but Australia's first ever platypus race! 80 general entry platypus and 20 corporate entry platypus will race down the river in town to the finish line at the weir.

Dalgety is very proud of its platypus population, and has one of the healthiest populations of platypus in NSW, with a number of our platypus having recently been relocated to the Royal National Park to facilitate their new breeding program.

The race will commence at 2pm, so please find a good viewing spot before then. All competing platypus entries have already been purchased prior to the show, however there will be a very limited amount of unpainted platypus for sale at the showbag bunker should you wish to purchase one.

General entry race prizes:

- First prize \$200
- Second prize \$100
- Third prize \$50

Corporate entry race prize is the highly coveted "Golden Platypus" and bragging rights for at least a year.

All proceeds made go to the Dalgety Show Society, and a donation will be given to the Taronga Conservation Society Australia, who played a key part in the platypus relocation program.

We hope you enjoy the race!

## **RULES & REGULATIONS:**

- a) Competitors must be over 15 and under 25 years of age on the 1st of May in the year of the State Final at the Royal Easter Show.
- b) To be eligible to compete for the Group Finals, competitors must live and/or work in the district for three months, or be enrolled in a secondary or tertiary institution in the area.
- c) No competitor can represent more than one show society in any one Group Final and no more than one group in the State Final. The winners of the National Final cannot compete at any level in the particular competition that they won.
- d) Competitors will be eliminated from the competition if deemed by the chief steward to be receiving outside assistance.

## **PROCEDURE:**

- 1. Three classes of animals are judged by the competitors, each class consisting of a different breed. If cattle available provide for only one or two classes, competition may still be conducted with appropriate adjustment to scoring.
- 2. Animals in each class must be identified by 'breastplates' numbered 1-4, (not A, B, C, D) with relevant age, weights and measurements on them (if available). This is essential when using the Hormel Computing Slide.
- 3. The oral class of 4 animals will be nominated by the Overjudge or Chief Steward before judging commences.

## **COMPETITION TIMING:**

From the point of view from the competitors, the animals and the spectators, it is important that the whole competition be completed in approximately one hour.

In the case of 3 classes of the animals being used, the timing would be as follows:

Judging 3 classes - 8 minutes each

Competitors oral tests - 3 minutes each
